Wrap on. Inflate. Pick your mode. Relax.

Twenty minutes a session, no appointment needed.

01
Wrap it on

Secure the adjustable belt snugly around your lower back. An extension pad is included for larger sizes.

02
Inflate

Use the lightweight hand pump to add gentle decompression at the level that feels right.

03
Choose & relax

Pick heat, vibration or both from the touch controls, then get on with your evening.

Is it for you?

- ✓ You wake up with a stiff lower back
- ✓ Long hours sitting, standing or driving leave you aching
- ✓ Belts, patches and creams only helped for a day
- ✓ You want a drug-free way to unwind your back at home

Velouran is a comfort and relaxation device, not a replacement for medical treatment. If you have a medical condition or ongoing pain, talk to your doctor before use.
